my **POOL**
by  **BWT**

More pool fun thanks to smart pool care.

Enjoy perfect pool moments in sparkling, clear water.

Features at a glance

Cordless Flexibility

The myPOOL QUICK automatically cleans every area of the pool without a cable restricting its movement.

Light and Compact

The low weight of 7.5 kg and its compact size make the myPOOL QUICK particularly easy to handle.

Smart App Control

With the easy-to-use app, cleaning modes can be selected and other features used.

Fast Charging

Thanks to the quick-charge system, the robot is ready to go again in a short time.

Ultrasonic Navigation

The modern radar system ensures that the robot scans and navigates the pool systematically and cleans every area efficiently.

Replaceable Battery

The battery can be replaced if necessary giving the unit a longer life span.
