

myPOOL PULSE PLUS

Connected by Cable.
Driven by Intelligence.

Full Power meets Intelligence

Enjoy Perfect Pool Water at all Times with the myPOOL PULSE PLUS.

Features at a glance

Easy Control via Wi-Fi and App

With modern Wi-Fi integration, the myPOOL PULSE PLUS offers maximum convenience. The app enables fast and intuitive control.

Reliable Cleaning Modes

Even when the pool is not in use for an extended period, the myPOOL PULSE PLUS keeps it clean through automatic cleaning cycles.

Full power thanks to cable connection

The myPOOL PULSE PLUS delivers full performance at all times thanks to its direct power supply.

Radar System for Structured Cleaning

The modern radar system ensures that the robot systematically scans and cleans every area of the pool – for maximum efficiency.

Included equipment:

- » one filter (4 litre)
- » 2 PVC brushes
- » Power supply unit with 14 m cable
